Dear Ahmed,

Hi! My name's Brad Gates. I live in Boston in the USA. I'm sixteen years old. I'm a student at G. Washington Secondary School. My favorite subject is Computer studies. I like watching soccer on T.V, it's my favorite sport. I also like films and my favorite film star is John Travolta.

My father's name is Brian and my mother's name is Helen. My father is forty-two. He's a bus driver. My mother is a librarian. She works in my school's library. I have one brother and one sister. Their names are Tom and Sally. I also have a young uncle, his name's James.

At the weekends, I play tennis with my friend, Bob. He lives with his family near us. We also go to the cinema or watch soccer on T.V. What about you? Write and tell me about your activities?
